The moment to visit Cuba is NOW!!!

Travel with SAR at this important moment that finds Cuba on the cusp of significant change. With the re-establishment of diplomatic relations between our two countries and the economic opportunities now available to many more Cubans, the atmosphere in the country is electric. Be a witness to this historic moment while, at the same time, enjoying the iconic sites of Cuba's past, including: the Museum of Fine Arts; the Hemingway estate, Finca Vigia; the Museum of the Revolution; the timeless architecture of Old Havana; the jewel of a city, Trinidad; the music that is everywhere; and those classic cars of the 1950's. Most importantly, you will have the pleasure of interacting with the Cuban people, whose warmth and embrace will be with you for some time to come.
