

Linda S. Cordell Prize Nomination

Please print clearly or type all responses.

I wish to nominate the following book for the Linda S. Cordell Prize—

Author:

Title of Book:

Publisher:

Date of Publication:

Books are evaluated on the following selection criteria:

- innovative and rigorous thinking in terms of theory, research methods, and/or application of findings;
- demonstrates the integrative use of archaeology in anthropology and closely related fields;
- exemplary writing and clarity of expression; and
- sets a high standard for the practice and writing of archaeology, anthropological archaeology, and closely related fields.

How does this book fulfill these criteria?
